

WELCOME

The Wensleydale Railway is a heritage railway operating between the Vale of Mowbray and Wensleydale in the Yorkshire Dales National Park.

The rural line operates predominantly heritage diesel services passing through market towns, small villages, woodlands and farmland, offering a great day out for everyone, even the dog! We really are the gateway to the Yorkshire Dales!

EXPLORE OUR HERITAGE

Take a step back in time! Explore railway stations of the past and chat to our team of costumed interpreters as we bring history to life along the Heritage Line. Travel to Scruton, where you can tour the beautifully restored and multi-award-winning station set in the Edwardian period.

Jump forward to the Roaring 20's at the bustling hub of Leeming Bar Station, which includes the Station Master's private residence. We are also bringing heritage to Bedale Station - come along and see as we progress our latest project at Bedale, as we take the station back to the 1930's. We also offer school and community group visits.

Leyburn is the main market town of mid-Wensleydale (1/4 mile walk from the Station) with cafés and shops. Market day is on Friday.

Take a walk along the Shawl, a limestone escarpment with fantastic views. Reputedly named because Mary, Queen of Scots lost her shawl whilst escaping from Bolton Castle!
